Sub Branch objectives

CAMRA in Gloucester objectives are:

1. To encourage pubs and other social venues in GL1-4 to stock well-kept real ale and to encourage members to support those that do.
2. To encourage pubs and other social venues in GL1-4 to support local brewers.
3. To maintain a record of all pubs in GL1-4, and to ensure that the Real Ale in Gloucestershire database is accurately updated.
4. To assess the quality of ales in GL1-4 pubs, and to make proposals for inclusion of the best pubs in the next edition of the Good Beer Guide.
5. To campaign to increase CAMRA membership in GL1-4. We aim to recruit landlords of real ale pubs.
6. To provide for members in GL1-4 a programme of interesting and enjoyable social activities.
